Issue 18 - Term 4 – Week 7

Friday 30th November, 2018

From the Principal P&C

I would like to thank the P&C for pledging \$173 000 for the school in 2019. With this generous donation, we will be able to employ more SLSO's, a

teacher, and purchase resources to support the following programs:

- Hydrotherapy program
- Assistive Technology Program
- Communication Program
- Computer Coordinator
- Play Skills Program
- Sensory Program
- 2 extra SLSO's
- Classroom resources

Scripture

I would like to thank both Andre Bolt and Rachel Thomas for their dedication towards delivering a scripture program for students at Havenlee School. The feedback I hear from both students and staff is that students really enjoy their time in scripture and look forward to them coming again.

Music with Rob

I would like to thank Rob Cleary for volunteering his time to deliver a music appreciation program to the students of Havenlee once a week. It is wonderful to see the children open up and grow in confidence when participating with these Music lessons

Awards Assembly

I am looking forward to seeing everyone at the Presentation Assembly on Monday 10 December. The classes have been working hard on their performances and the costumes look fabulous. Remember that all guests are

invited to come early to the school for light refreshments before the assembly.

Year 12 Graduation Dinner

On Thursday 6 December, we are having the Year 12 Graduation Dinner. It will be held at the School Hall. The following students are Graduating this year:

- Luke Marshall
- Buddy Spry
- Luke Spry
- Zeke Taylor

End of year Plans

If you were planning to move address and / or change any other details over the holidays, would you please contact the office as soon as possible? This information will assist us with updating your child's details and organising classes for 2019.

Telephones and extreme weather

Thank you for your patience whilst our phones were out of action over the last week. The phones are now working. It was a frustrating situation.

I would like to thank you for your flexibility and understanding whilst we were managing the school under very difficult circumstances on Wednesday with the big downpour. A number of the classrooms were flooded as well as the front entrance and my office. We currently have big fans trying to dry out the wet carpet.

I also would like to extend my gratitude to all the staff who worked so well as a team in the ever-changing situation.

Katrina Eyland - School Principal

Hydrotherapy Volunteer

Havenlee School is an SSP in North Nowra, consisting of 9 classes, years pre-school to year 12 (eight IO/IS & 1 MC). The students present with moderate to severe intellectual disabilities, often accompanied by secondary physical, behavioural and other disabilities such as Autism Spectrum Disorder. Aboriginal students make up approximately 35% of Havenlee School enrolments.

The Havenlee P&C Committee's major revenue raiser for 2018 has been the Assisted School Travel Business.

The major priorities for our financial support were again determined as the Hydrotherapy Program and the Communication Program. The Hydrotherapy Program continued to offer all our students the opportunity to benefit through swimming lessons for our more physically capable students, lessons in water safety for all, plus physical therapy for our students normally restricted to wheelchairs. We are extremely fortunate this program has been designed and run by the schools professionally trained Aus Swim teaching staff and supported by our volunteers. The P&C were able to support this program with a phenomenal \$80,000 being given to the school towards staffing and equipment.

Thanks to the P&C, the Hydrotherapy Program is running on Tuesday and Thursday. If you or anyone you know is interested in volunteering to help in the pool on either a Tuesday or Thursday phone the school.

Volunteer sessions are: 9:00am-11:30am and 12:30-2:45pm on both days. Volunteers are only expected to do one session a day. Volunteers need to be prepared to go into the pool during their session times.

You will be required to undergo mandatory screening.

Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at havenlee-s.school@det.nsw.edu.au
 Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.
 Thank you for your support.
