Issue 17 - Term 4 – Week 1

Friday, 18th October 2019

From the Principal

Student details

Please let the school know when there have been or will be changes in your child's details (especially if you know if you are moving in the holidays). This is extremely helpful to the administration staff and the rest of the school in making sure our records are current. Changes that we need to know are:

- Phone numbers
- Address
- Child's medication
- Emergency contact information
- Transport to and from school

Term 4 RAP Award Excursion

The students have voted and the end of Term 4 RAP award excursion will be at Booderee National Park. More information will be sent home to eligible students towards the end of the term.

End of year stocktake

We have just started our end of year stocktake of school resources. If you find any school resources (e.g.: books, toys, electronic equipment, clothes) that have accidentally found their way home, would you please send them back to school so the students can use them next year.

End of school pick up procedure

Just a reminder of the procedure for picking up students at the end of the day. In the afternoon, the bus bay/pedestrian gates open at 2:45pm. When parking in the Kiss and Drop area please display the Havenlee School Logo so you have no issues when

leaving the car to pick up your child (the laminated logos can be collected from the office). We recommend that parents come to the school Kiss and Drop area no earlier than 2:45pm. Please note that most buses and cars have left by 3pm so it is sometimes easier to get into the kiss and drop between 3-3:15pm. We thank you for your consideration with this.

Future Term 4 Dates

- Presentation Assembly Monday 2 December 12pm
- Yr. 12 Graduation Dinner Wednesday 11 December
- Students last day at school Wednesday 18 December

Special Olympics - Gymnastics

Thank you to all our parents and carers who sent in their child's Active Kid's voucher. There is still time to send them in.

Special Olympics has organised a Gymnastics program to run every week on Tuesdays and Thursdays at Havenlee School hall. Every class will participate for a session each week with two Gymnastics coaches.

PBL

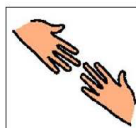

Havenlee School Values

This term students have been learning about being responsible.

I am responsible when I ask for help.

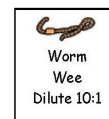

"Help please"

I hope your child has enjoyed learning about being responsible this term.

The PBL committee

Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at havenlee-s.school@det.nsw.edu.au

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.

Thank you for your support.

Beeswax Wraps

Our School to Work program has expanded into Beeswax Wraps. These are an environmentally friendly alternative to single use plastic wrap. You can use beeswax wraps to:

- Wrap sandwiches, fruit, vegetables and cheese
- Cover plates, bowls, cups and jugs
- Keep flies off food
- To wrap a bouquet of flowers
- Make a pouch or snack bag.

You just use the warmth and pressure of your hands to shape and mould them over or around your food or bowl.

Cost: \$4.00 for a SMALL wrap (20cm x 20cm)

\$6.00 MEDIUM (27cm x 30cm or 30cm x 30cm)

\$8.00 LARGE (35cm x 35cm)

We can also revive your well used wraps for \$2.00 per wrap.

Please call the school, email or write in your child's communication book if you would like to purchase a beeswax wrap. They can also be delivered on Wednesdays with our worm wee and castings.
