Issue 18 - Term 4 – Week 3

Friday, 1st November 2019

### From the Principal

Thank you to everyone who bought a bandanna last Friday. We raised \$200.50 for Canteen.

### TAFE

This week we had a staff member from TAFE come to talk to our year 11/12 student on options for training with TAFE in 2020. They were great information sessions thank you to everyone involved.

### PA System

In the Term 2 school holidays we had a new PA system installed at school. This means we now have a bell system on a timer for before and after school and recess and lunch times. It is also used to play music in the playground at recess and lunch times for the students to enjoy.

### Banksia and Paperbark Excursions

This week Banksia and Paperbark went on separate excursions linked to their units of work. Banksia went for a drive around the local area looking at different types of houses, and Paperbark visited the Lady Denman museum at Huskisson. Both classes were safe, respectful and responsible while out in the community – well done Banksia and Paperbark!

## Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at [havenlee-s.school@det.nsw.edu.au](mailto:havenlee-s.school@det.nsw.edu.au)

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.

Thank you for your support.

## Beeswax Wraps

Our School to Work program has expanded into Beeswax Wraps. These are an environmentally friendly alternative to single use plastic wrap.

You can use beeswax wraps to:

- Wrap sandwiches, fruit, vegetables and cheese
- Cover plates, bowls, cups and jugs
- Keep flies off food
- To wrap a bouquet of flowers
- Make a pouch or snack bag.

You just use the warmth and pressure of your hands to shape and mould them over or around your food or bowl.

Cost: \$4.00 for a SMALL wrap (20cm x 20cm)  
\$6.00 MEDIUM (27cm x 30cm or 30cm x 30cm)  
\$8.00 LARGE (35cm x 35cm)

We can also revive your well used wraps for \$2.00 per wrap.

Please call the school, email or write in your child's communication book if you would like to purchase a beeswax wrap. They can also be delivered on Wednesdays with our worm wee and castings.
