From the Principal

Remembrance Day

On Monday 11 November, some of our senior students participated in the Bomaderry RSL Sub Branch Remembrance Day

ceremony at Bomaderry. I would like to say a big thank you to the senior students who placed the wreath in front of the flags and were respectful, responsible representatives of the School at the ceremony.

Tuesday 12 November Catastrophic Fire Warning

Throughout the recent unprecedented weather conditions and bush fire activity, the Department, in conjunction with the Rural Fire Service and State Emergency Services, made an informed decisions which were strongly based on safety considerations, when determining the operational status of each school. The Department of Education has student safety and wellbeing as its highest priorities. Thank you for your understanding with the unfortunate need to close the school on Tuesday 12 November due to the catastrophic fire warning. As we know this would have proposed challenges for many families. Stay well informed of any fire activity by monitoring local media and regularly checking for updates on the NSW RFS [website](https://www.rfs.nsw.gov.au/fire-information/fires-near-me) or NSW RFS information line on 1800 679 737. Fires can threaten suddenly and without warning, take notice of any warnings issued seriously and be prepared to act.

If you see smoke in your local area, refer to the Fire Near Me app for the latest update.

Fire Near Me App

Within the mobile application, you can set a "Watch Zone" to be notified about the incidents in a particular area. We recommend that you set a

watch zone for your school to receive notifications such as:

- A new fire in your watch zone
- A fire spreading into your watch zone
- A fire alert level increasing, indicating an increased danger
- When there is new information about a major fire
- Other notifications, such as important messages about fire danger or activity

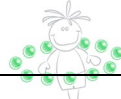

Please see below link to further information on "Fires Near Me NSW"-

Front Office

Every day our front office ladies are extremely busy in taking phone calls, meeting visitors and doing school administration. They are hardworking and dedicated to making sure the students at Havenlee are well looked after. Please be patient with them if they cannot answer your questions straight away or put you on hold when they are serving someone else. If you have a particular issue or concern about the school please ask to speak to me or an executive so we can communicate with you directly. I appreciate your consideration and respect of everyone who works at Havenlee. Please see school community charter attached.
