Issue 19 - Term 4 – Week 5

Friday 13th November, 2020

From the Principal

NAIDOC Week Activities

Last Wednesday the students and staff enjoyed dressing with an “Aboriginal” theme mufti. The ice-cream making competition was extremely popular and each class came up with very creative ideas for Aboriginal themed ice-cream. Banksia class won the competition with their Lemon Myrtle with their “Lemon Myrtle Turtle”. I only got to see the photos of all the entries as they were consumed immediately after judging! I did get to see and judge the Aboriginal Art colouring competition. A student from each class won a prize for their efforts. A fun day was had by all.

End of year Presentation Assembly

Just a reminder that due to COVID restrictions guests will not be able to attend the Havenlee School end of year Presentation Assembly. We will still be having a very short Assembly on Monday 7 December with students and staff. The Special Awards will be handed out at this assembly. Personal Best Awards will be handed out in classrooms to each student. Class teachers will take a photo of each student with their personal best award and also a photo if a student received a Special Award. These photos will be sent home with each student. All Special Award winners will be written up in the next newsletter. Each class will still have a video of their class item. These will be watched throughout the day on Monday 7 December in classes. Teachers will organise a photo to be sent home from the class item. We thank you for your understanding with this situation and we all look forward to running our usual end of year Presentation Assembly at the end of 2021.

Chaplain Chat Week 5 Term 4

What a year this has been!!!! Can you believe that we are week 5 of Term 4 and only 6 weeks till Christmas!!! This year has been stressful for most people and especially for our students who have had to get used to all the changes that seem to happen every month, week and sometimes every day. The Havenlee staff have always done their best to support, encourage and be kind and caring towards all the students and I commend them for their hard and diligent work. As my role as Chaplain has been developing, I have had some opportunities to contact some families, to support and encourage them in these hard times. Please, do not hesitate to contact the school and ask for help, if and when you need it. Many of the groups I run at recess and lunch times are aimed at helping the students interact in a positive way to others and to give them self- confidence, as well as, a sense of fun and achievement when doing an activity. LEGO is still very popular as well as dancing, making robots with Solar power and we are endeavouring to finish some shapes of knitting to put together a small rug to donate to a Nursing home or shelter in need. Also, we are replenishing and rejuvenating the sensory garden, for the students to enjoy a space where they can look, touch and smell the plants. Below are some photos of our students enjoying both groups and playground play skills. 2 of our school leavers represented the school at a Remembrance Day service 11.11.2020. I was privileged to take them and to see the respect and responsibility they displayed. From your school Chaplain, Sue.

Beeswax Wraps

Our School to Work program has expanded into Beeswax Wraps. These are an environmentally friendly alternative to single use plastic wrap.

You can use beeswax wraps to:

- Wrap sandwiches, fruit, vegetables and cheese
- Cover plates, bowls, cups and jugs
- Keep flies off food
- To wrap a bouquet of flowers
- Make a pouch or snack bag.

You just use the warmth and pressure of your hands to shape and mould them over or around your food or bowl.

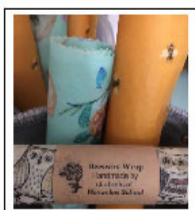

Cost: \$4.00 for a SMALL wrap (20cm x 20cm)

\$6.00 MEDIUM (27cm x 30cm or 30cm x 30cm)

\$8.00 LARGE (35cm x 35cm)

We can also revive your well used wraps for \$2.00 per wrap.

Please call the school, email or write in your child's communication book if you would like to purchase a beeswax wrap. They can also be delivered on Wednesdays with our worm wee and castings.

LEMON MYRTLE FOR SALE

At Havenlee school the students have grown Lemon Myrtle. This is dried and blended and can be used in cooking, for cakes, biscuits, cheesecake, ice cream & roast chicken.

It is available for purchase from Havenlee School or delivered on request. The cost is \$4 per jar.
