Issue 16 - Term 3 – Week 9

Friday 18<sup>th</sup> September, 2020

### From the Principal

**RAP Award Party:** 12 lucky students have made it to be eligible for this term’s RAP award party. As mentioned in the last newsletter, due to the ongoing COVID-19 restrictions we will be having an in-school RAP award party. On Tuesday 22 September, we will have a morning tea in the Western playground area to enable social distancing. We will have party food and drinks for the event and students will have time to play on the equipment. Notes will go home soon about the details for the event for students who are eligible.

**Havenlee’s Got Talent:** On Thursday 24 September we will be having the annual Havenlee’s Got Talent. Due to COVID-19 restrictions all items are pre-recorded and students will watch the show in their classrooms. There will be prizes and certificates for best class item and best individual item as voted by the students. I know the students and staff have been having lots of fun making the videos. I can’t wait to watch the talent quest next week.

**Footy Colours Day:** To keep in the fun theme we will be having a Footy Colours Mufti Day on the day of Havenlee’s Got Talent (i.e. Thursday 24 September). We are asking for a gold coin donation for the worthy cause of cancer research. See flyer attached for more details.

**Future Dates:**

First day of Term 4 for students: Monday 12 October

Last Day of Term 4 for students: Wednesday 16 December

fever

sore throat

cough

shortness of breath.

If your child is sick, keep them at home and get them tested for COVID-19.

Havenlee School will be holding  
**FOOTY COLOURS DAY**

on

Thursday 24<sup>th</sup> September

**Students are requested to bring a gold coin donation and to wear their favourite football colours to school**

Fight Cancer Foundation's Footy Colours Day is a national fundraising campaign which helps kids with cancer.

It is to support children with cancer, who are especially vulnerable to COVID-19, keep up with school while they receive and recover from treatment.

The money raised will fund Fight Cancer Foundation's education support programs, which operate in major paediatric hospitals across the country. They ensure no child falls behind or disengages from school as a result of their cancer diagnosis.

They need your support more than ever to continue to fund our programs.

### Chaplains Chat.

This term has been very busy at recess and lunch times with students being involved in various groups run by me. I now have a variety of activities both inside and outside to develop social skills and relating to others in a small setting and with peers. The most popular are dancing and LEGO. During dancing we are using ribbons to twirl and dance with, which is a wonderful way they can express themselves. With other students we have a 30 minute dance workout, which is a lot of fun and great to increase coordination and stamina. The LEGO groups have enjoyed creating LEGO models from kits and also being creative with some LEGO in a box we have. It is wonderful to see their pride when they have made something and want to show their class mates and teachers. Other groups run are knitting, Pokemon cards, Book club and Footy tipping. I am supporting several students with communicating skills, both in the classroom and outside in break times.

I am looking forward to next term to see all the groups develop and for the students to gain more confidence in their social and emotional skills.

### Beeswax Wraps

Our School to Work program has expanded into Beeswax Wraps. These are an environmentally friendly alternative to single use plastic wrap. You can use beeswax wraps to:

- Wrap sandwiches, fruit, vegetables and cheese
- Cover plates, bowls, cups and jugs
- Keep flies off food
- To wrap a bouquet of flowers
- Make a pouch or snack bag.

You just use the warmth and pressure of your hands to shape and mould them over or around your food or bowl.

Cost: \$4.00 for a SMALL wrap (20cm x 20cm)  
 \$6.00 MEDIUM (27cm x 30cm or 30cm x 30cm)  
 \$8.00 LARGE (35cm x 35cm)

We can also revive your well used wraps for \$2.00 per wrap. Please call the school, email or write in your child's communication book if you would like to purchase a beeswax wrap. They can also be delivered on Wednesdays with our worm wee and castings.

### Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at [havenlee-s.school@det.nsw.edu.au](mailto:havenlee-s.school@det.nsw.edu.au)

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.

Thank you for your support.
