Issue 19 - Term 4 – Week 10

Friday 10th December 2021

From the Principal

Vacant Assistant Principal and Teacher positions

I'm pleased to let everyone know that Brooke Goodger was successful in getting the Assistant Principal position at Havenlee School. She has been relieving in the position for several years so it's excellent that she can now become a permanent member of the executive team, starting in 2022. I will let you know early next year who was successful in getting the vacant teacher position when it is all official.

This year's Presentation Assembly was different because of COVID restrictions, but still rewarding. Each class was able to see all the class presentations in their own classrooms which was a bonus as they only normally get to see their own. The special award winners are as follows:

Year 12 Graduation

On the evening of Wednesday 8 December, we had the Havenlee year 12 Graduation. It was a lovely evening. The hall looked transformed with the fairy lights, table decorations and the “graduation arch” with native flowers. There was also fun photo area for family photos in one part of the hall. Congratulations to Shantelle, Heath, Charlee, Jarrad, Leilani, Josh G and Tim B who were presented with Havenlee HSC certificates and a photo memory book. Also, on each table was a serving board that each student decorated during the LINK (Work Experience) Program. Which was able to be taken home. Both Jarrad and Charlee also received an Aboriginal Graduation Certificate as the Shoalhaven Aboriginal Graduation was cancelled due to COVID. All the students looked stunning and it was great to see so many family members cheering them on. Paul who was unable to attend the event had a special lunch and presentation in his class the next day. A special thanks goes to:

- The P&C for donating the money to cover the cost of all the students’ meals and the individual cakes.
- Karen for organising everything about the graduation
- Vanessa for collating the Year 12 student photo books and organising the montages for each student
- Tracey and Hayley for taking the photos tonight
- Louisa for making the cake
- Donna for helping the students make the serving boards in LINK
- all the other behind the scenes staff who helped with the decorations and setting up the hall

Whole School PBL Reward

The term 4 Whole school PBL reward is water play. This year we have decided to run the water play activities during Hydrotherapy next week. The few students who do not use the pool are having a “Water Play” activity session in the middle session next Tuesday.

Extra Clothing

Throughout the year, we often send home school clothing with students who require extra changes. Would you please check at home to see if you have any borrowed Havenlee School uniforms or “outgrown” Havenlee School uniforms you could donate to the school? If you do, it would be great if you could send them in so we can add to our stores ready for the beginning of 2022.

New students for 2022

We will be getting 4 new students in 2022; one pre-school, two Kindergarten and one year 5 student. All students have been transitioning one day a week this term and we look forward to having them fulltime at the beginning of next year. As we have eight year 12 students leaving it means that we will start the year with vacancies.

Reports

Reports will be emailed home at the beginning of next week.

Classes for 2022

At this time of year, I often have parents asking me what class their children will be in for the following year. It is very difficult to give this information out as I still haven’t finalised the class lists. I am making changes daily to the composition of classes. Also staffing can change at the last minute as well. To avoid confusing students if changes occur, they will find out on the first day back in 2022.

As 2021 finally draws to a close, I would like to thank you all for your support and care over a very difficult year. School finishes for students on Thursday 16 December.

I hope everyone has a restful, safe and fun holiday! I look forward to seeing most you again next year. The students start on Tuesday 1 February 2022.

**LAST DAY OF TERM IS THURSDAY

Weeks 7-11 - Safe 'Responsible for my body'

In weeks 7-11 of this term the PBL focus is safe and students being responsible for their bodies. Explicit lessons are being taught in classrooms including following a 1,2,3 and complex instruction, waiting for a cue and purposefully acting with the intention of a specific result. This can be demonstrated in classroom activities, sport, work crews, following instructions and using equipment safely e.g. in the playground or using scissors in the classroom. PBL tickets are given out to students being responsible for their bodies.

Havenlee P & C Association Come and join us!!

We are seeking parents, carers and friends of Havenlee to become members of the Havenlee P & C Association for the 2022 school year. No experience is required and we have an Admin Manager who takes care of all the paperwork, so all we need from you is your ideas and input into helping Havenlee School thrive!

There are around eight P&C meetings held throughout the year (two per term) which we would ask that you attend, either in person or via Zoom video link. The meetings are usually held on a Tuesday morning for an hour or so.

If this sounds like you, we would love to hear from you.

Please contact Adele or Patrick at the school on 4421 3777 or on the P&C mobile 0423 056 871. The membership fee is \$2.00 for the year.
