Issue 17 - Term 4 – Week 6

Friday 18<sup>th</sup> November 2022

### From the Principal

#### Spare Havenlee School Uniforms

If anyone has Havenlee School uniforms that are too small for their child, the School would value any 2nd hand uniforms. We often need extra clothes to use when students have used up their spares.

#### 2023 budget

In week 4 all schools were emailed their proposed budget for 2023. As a result, I have started to plan for next year at Havenlee School. The Department of Education have allocated to Havenlee School \$3 325 163 to run the school next year (this is almost the same as last year). This includes all permanent staffing costs.

Specific Funding is as follows:

- Socio-Economic/ Equity background \$147 982

- Aboriginal background \$44 313

- SSP supplementary funding \$291 986

With most of this funding, I will endeavour to employ as many additional staff as possible to support our students.

#### Weeks 7-11- Safe 'Responsible for my body'

In weeks 7-10 of this term the PBL focus is safe and students being responsible for their bodies. Explicit lessons are being taught in classrooms including following a 1,2,3 and complex instruction, waiting for a cue and purposefully acting with the intention of a specific result. This can be demonstrated in classroom activities, sport, work crews, following instructions and using equipment safely e.g. in the playground or using scissors in the classroom. PBL tickets are given out to students being responsible for their bodies.

Worm Wee  
Dilute 10:1

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container, which includes delivery, please place your order in one of the following ways:

1. Phone the school on 4421 3777.
2. Email the school at [havenlee-s.school@det.nsw.edu.au](mailto:havenlee-s.school@det.nsw.edu.au)

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.

Thank you for your support.

## Chaplains Chat

This term has been a hive of busyness with the students continuing to enjoy activities in the playground, being creative and gym workouts. They are excelling in all areas as the year comes to a close.

Every week there are more surprises as the students grow and learn. We have lots to laugh and talk about as we play and work together.

This year has been full of exciting things to do and experience.

Stay safe.

Julie
