Issue 4 - Term 1 – Week 8

Friday 18th March 2022

From the Principal

Harmony Day

Harmony Day is on Monday 21 March. It began in 1999, coinciding with the United Nations International Day for the Elimination of Racial Discrimination. In Australia, Harmony Day celebrates Australia's cultural diversity. It's about inclusiveness, respect, and a sense of belonging for everyone.

On Monday, students can come to school dressed in orange clothing to celebrate the theme of Harmony Day. They will be participating in Harmony Day activities, to help raise their awareness on how all Australians from diverse backgrounds belong to Australia and enrich it. All families would have received a letter home this week explaining what is happening.

Construction update

The new front office entry, new office and new staffroom are well underway. The plaster is up, electrical wiring and plumbing in place and the external cladding is finished. Even with the extremely wet weather, the contractors are still working hard to finish the job in the next few weeks. Thank you for your patience while there is no access to the front office area. Remember to ring the office when you arrive in the kiss and drop, and someone will come out to assist you.

Hydrotherapy/ Intensive Swimming/ Communication Program

COVID has had a big impact on our ability to run the Hydrotherapy, Intensive Swimming and Communication programs. We have struggled to keep up with staffing not only because staff have COVID but also because they are close contacts and cannot come to work. Due to the ongoing shortage of casuals we need to prioritise keeping classrooms safe and students engaged in learning. We will resume these programs when we can. Thank you for your understanding.

Kind Regards,

Katrina Eyland

Chaplains Chat

There have been so many challenges for students and teachers recently, but Havenlee has soldiered on through it all.

I am getting to know names and faces and all the amazing personalities that make up a community of resilient people.

Today I played with several students in the Gym. They showed remarkable strength hanging from the monkey bars and had a lot of fun.

It seems I have drawn inspiration from the demonstration of resilience, strength, and teamwork over the past couple of weeks.

Thanks,
Julie
