Issue 6 - Term 2 – Week 2

Friday 6th May 2022

From the Principal

Construction update

The staff have been using the new staffroom and it is working well. The school psychologist and Adele from the P&C are settling into their new room and the new front entrance and refurbished offices are fantastic. We are now mainly waiting on external things to be completed to sign off the project. The brick layers came today to start fixing up the brick walls near the entrance and towards the front gates. We are still waiting a fence to be erected out the front of the building.

Rapid Antigen Tests

A Skoolbag notification went home last week letting parents know that if you need more Rapid Antigen Tests to contact the school. I encourage you to do this as we have enough for everyone who needs them.

Postponed RAP Award Party

We had the postponed Principal RAP award party today during middle session. We had an Easter Egg hunt and a play on the equipment. Even though it was late, the students had fun.

Hydrotherapy Pool

This week the thermostat on the pool was replaced. We are hoping that soon the temperature and chemical levels will be correct, and we will be able to start the using the pool again.

Kind Regards,

Katrina Eyland

Weeks 1-3: Responsible 'When I am on task'

In weeks 1-3 of this term the PBL focus is Responsible and students being on task. Explicit lessons are being taught in classrooms including staying on task for so many seconds, minutes, in a pair, in a group and completing a set task. Staying on task is demonstrated in morning circle, at the desk, in the classroom, library, pool, hall, work crews and during transitions. PBL tickets are given out to students demonstrating being on task.

Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at havenlee-s.school@det.nsw.edu.au

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.
 Thank you for your support.

Chaplains Chat

As you all know, Term 1 ended with the school having to close on the last day and doesn't that tell the story of Term 1! But the last week was a lot of fun despite the continuing rain, which I thought reflected the tenacity of our Staff, students, and families to press on regardless.

Besides playing, in a small area under the awning to try and stay dry, with hula-hoops and skipping rope (I'm still recovering - thanks Nicole and Viv), I saw creativity which included, beautiful Easter-themed baskets and art-work, dress-ups (Raphael and Jacob were very cute Sharks lurking in the corridor), and birthday parties. It seemed there was still plenty to celebrate in the last week!

Welcome to Term 2, my hope is for some lovely Autumn-Winter weather, lots more fun, creativity, celebrations, and cake 😊

Thanks,
Julie
