Issue 7 - Term 2 – Week 4

Friday 20th May 2022

From the Principal

SLSO training

On Wednesday 18 May all SLSOs were re-certified in the administration of midazolam and went through the individual health care needs of specific students with clinical nurse consultant, Ruth Went. It was essential training for both new and experienced SLSOs to ensure all staff follow best practice.

Too sick for school?

As the colder weather hits, so do the winter bugs-not just COVID. It's often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety's sake, if your child seems unwell you should always keep them home from school and seek medical advice. If your child is exhibiting COVID like symptoms, please use a RAT Kit to ensure they don't have COVID. Please inform the school if your child tests positive to COVID. The school has a large supply of RAT Kits. Please let us know if you want us to send more home.

Kind Regards,

Katrina Eyland

Weeks 4-6- Respectful 'When I wait my turn'

In weeks 4-6 of this term the PBL focus is respectful and students waiting their turn. Explicit lessons are being taught in classrooms including taking turns in a set sequence, in pairs, and in a group. Turn taking can be demonstrated in morning circle, classroom activities, sport and work crews. PBL tickets are given out to students demonstrating waiting their turn.

Havenlee Worm Wee

Havenlee School is operating a school based vermiculture (worm farming) industry to provide our students with authentic "real world" school to work skills.

We would like to supply local businesses and community members with worm wee to fertilise local gardens. We will be delivering our product one day per week in the local area.

If you would like to purchase a 200ml bottle of worm wee for \$2.00 or castings (when available) for \$4.00 per 650ml container which includes delivery, please place your order in one of the following ways:

1. Phone the school on 44213777
2. Email the school at havenlee-s.school@det.nsw.edu.au

Please provide your address and contact number. Payment is required on delivery.

The project involves all our students through our whole school vocational education program.

Thank you for your support.

Chaplains Chat

I've noticed that you either feel the chill in the air or you don't. But it's the season of comfort food and warm woollies for most. Things like hot chocolate and cheese toasties keep us warm on the inside and give that burst of energy.

Dance on Thursday is another great way to warm up and beat the chill. Everyone looks to be enjoying the music and movement.

It's the time of year when if you can find a sunny spot out of the wind that's gold.

Keep warm and well,
Julie

Mental Health and Intellectual Disability Hub - Webinar

The Sydney Childrens Hospital Network is holding webinars in relation to behaviour support and the NDIS.

Please join them online for two upcoming Mental Health and Intellectual Disability Hub webinars:

Topic 1: Carers as Partners & Behaviour Support and the NDIS

Presenter: Barbara Lewis, Manager Carer Support Services NSLHD

Date: Wednesday 1st June 2022, 11:00am-11:30am

Carer Support Services support the recognition and process of carers as partners in health care. Barbara will outline her experience in working with carers to improve health outcomes. Barbara will provide some examples of how this has assisted children with co-existing mental health and intellectual/developmental disabilities.

Topic 2: Behaviour Support and the NDIS

Presenter: Tanya Shenoy, NDIS Mental Health Officer SCHN

Date: Wednesday 1st June 2022, 11:00am-11:30am

Tanya will cover:

- An overview of Behaviour Support and how to request a Plan Review
- Practical examples on how Behaviour Support can support students with a disability who present with behaviours of concern
- How to find NDIS registered Behaviour Support Clinicians
